## Our God is an Awesome God !

We now have saw 212 students make decisions to follow Jesus Christ this school year. Also 87 students have rededicated their lives to Christ. This is a God-sized effect on our local communities. Let’s remember the goal, put Jesus first in everything, give Him the glory and watch God change our schools. John 12:32: “And I, if I be lifted up from the earth, will draw all men unto me.”
