

DAY 1: THE CALL OF GOD ON YOUR LIFE

Write about the moment God called you:

.....

Where were you?

.....

What were you feeling?

.....

Was anyone with you?

.....

Who did you tell?

.....

What was the specific burden God laid on your heart?

.....

How has that burden been played out in the past 12 months?

.....

What can be done in the next 12 months to go deeper into that call?

.....

We would love to hear about your call into ministry. Use this work sheet to make a short video of your calling into ministry. Share it with us and your students. Tag us on socials @fpofamerica!
